

WORKSHOP 2: GloboXyloCo

Estoril, 20 & 21 October 2014

Organiser: Cyrille Rathgeber

Program

Monday morning, October 20 — People & Data

9:00-9:15 — Introduction [C. Rathgeber]

9:15-10:30 — Presentation of the groups [Participants]

Each group present itself in about 5 min.:

1. Presentation of the group
2. Main research questions
3. Main datasets
4. Main results
5. Main interest in the workshop

10:30-11:00 — Coffee break

11:00-12:00 — Data [C. Rathgeber]

1. Data catalogue overview
2. Metadata summary
3. Data summary

Monday afternoon, October 20 — Results & Interpretations

14:00-15:30 — Processing of raw data [C. Rathgeber]

1. Results from Task 1: Raw data Formatting and verification
2. Results from Task 2: Xylem production dynamics
3. Results from Task 3: Xylem production phenology

15:30-16:00 — Coffee break

16:00-17:30 — Analysis of elaborated data [C. Rathgeber]

1. Exploring elaborated data
2. Global trends in wood formation dynamics
3. Open discussion...

Tuesday, October 21 — Methods & Perspectives

9:00-10:30 — Data processing trouble shooting [C. Rathgeber & Participants]

1. Problems in Task 1: Raw data Formatting and verification
2. Problems in Task 2: Xylem production dynamics
3. Problems in Task 3: Xylem production phenology

10:30-11:00 — Coffee break

11:00-12:00 — Perspectives [C. Rathgeber & Participants]

1. Methods
2. Analysis
3. Scientific Questions...
